PRESIDENT'S REMARKS: Welcome everyone to our last PAC meeting of the school year which is also our AGM. This will be the last PAC meeting that we get to see and interact with Principal Mazur which will certainly change the dynamic of future meetings. We are looking forward to our school carnival and all the coming up end of school outings.

I also just want to give a big thank you to all of my fellow PAC parent volunteers because without all of your hardwork and offering of your time and money, we wouldn't be able to provide our school and teachers with the necessary tools to better our children's education

Annual Report

And just like that the 2021/2022 School Year is coming to a close.

PAC held its first regular meeting Sept, 10, 2021. At the school, outside in the learning Circle.

There were a total of five regular meetings this year. Some held in person, some virtual. Three "parking lot" meetings were called in between regular meetings.

Fundraisers run this year:

Cookies Dough and Cheesecake

Poinsettias

Purdy's Chocolate for Christmas

New this year:

Rancho Vignola - Wholesale nuts, dried fruit,

Valley Direct Foods

In November, Mrs. Mazur brought to the PAC's attention that a copy of the PAC Constitution and Bylaws was to be on file at the district office.

On inspection the current C&B was out of date. The PAC executive took on the task of updating and revising the C&B.

The final draft was accepted at the April meeting.

COVID brought many changes to the school system.

Mandates to increase distance between persons prompted a revised look at teaching spaces. With more teaching taking place out of doors the idea of a structure that could accommodate students with a work surface and stable seat arose. Many ideas were brought forward. Large amounts of funds are required for a project of this size. There are grants available to help with funding. The consensus was that the timing between request and grant applications deadlines was too short. Table the idea for next year. The grants are available annually.

..... Community Marlene Clifford.....

COVID also restricted many of our regular activities.

No Back to School BBQ. No field trips for the first half of the year.

As COVID restrictions were lifted we were slowly able to go back to regular activities. Our school once again hosted the Salmon River Run at which PAC sold pizza to the other schools that attended.

A big thank you to Jessica Walters for organising and running PAC hot lunch days throughout the year. There were a total of 8 this year.

We are excited to have the Carnival back this year. It is a great way to end the school year.

As new families move to the community we want to encourage parents to be involved in PAC.....

We are only able to do what we do when people volunteer.
